

Description

PROTEAN Fast Dry Solvent Cleaner is a NSF: K1 registered, fast drying solvent cleaner, powerful enough to dissolve away all types of workshop contaminants, leaving no residue and eliminating the need for rinsing.

Benefits & Features

- NSF: K1 registered
- Powerfully removes all types of contaminant
- Fast drying and leaves no residue
- Does not contain chlorinated solvents
- Temperature range: -20°C to +65°C
- 360° valve for inverted use

Directions for Use

- Store out of direct sunlight and below +50°C
- Consult the safety data sheet prior to use
- Wear appropriate PPE
- Shake aerosol well before use
- Always test on a small inconspicuous area prior to use
- Spray evenly onto the surface from a distance of 20-30cm

Technical Data

Category	K1 (solvents for use in non-food processing areas where there is no possibility of solvent vapour entering a processing area)
NSF Certificate No.	139297 Does not contain any genetically modified ingredients, nut oils or animal derivatives
Appearance	Clear, colourless, fast drying liquid Strong solvent when wet
Odour	Odourless once solvent has evaporated
Contents	Blend of propan-2-ol, heptane, methanol and propane / butane / isobutane propellant
Flammability	Extremely flammable
Storage	Below +50°C
Flash Point	-60°C
Temperature range	-20° to 65°C
Relative Density	0.75
Pack Sizes	12 x 400ml cans
