EAN:	4013288230294	**Size:**	250x110x80 mm
Part number:	05133165001	**Weight:**	783 g
Article number:	950/9 Hex-Plus Multicolour 3	**Country of origin:**	CZ
		Customs tariff number:	82041100

- Rack that can be set upright on the table or hung on the wall
- Integrated clip which can be removed for mobile use
- Removable magnet for magnetising and demagnetising tool tips
- L-keys for hexagonal socket screws
- Hex-Plus allows socket head screws to live longer
- Rubber sleeve for pleasant grip
- Hexagonal ballpoint on the long arm
- BlackLaser for high corrosion protection and long service life

9 L-keys with plastic sleeve (SPKL) made of circular, easy-grip material. The sleeve makes working comfortable even at low temperatures and is easy on the fingers. All L-keys are easily accessible due to their colour coding and size markings. Convenient storage in the 9109 rack that can be set upright on the table or hung on the wall. Clip 9539 integrated in the rack which can be removed for mobile use. On top of that, the rack includes a clever removable 9538 magnetiser that can be used to magnetise (and demagnetise) screws and tool tips; no more struggle to hold the screw with the second hand.

Rack that can be set upright on the table or hung on the wall

L-keys with a thermoplastic sleeve

L-keys made from circular material fit into the hand better and allow less strenuous work over a longer period. Additionally, the rubber sleeve provides a pleasant grip, particularly in applications at low temperatures. Colour coding and large stamp enable the desired L-key to be easily located. Moreover, the round material keys are more robust, particularly where smaller sizes are concerned.

Hex-Plus

Hexagon screws can endure a problem because the contact surfaces delivering the power from the conventional tool, is transferred to the screw via very small surface areas. The consequence: the screw can become damaged (rounding out). Hex-Plus tools have a greater contact surface that prevents this from happening! At the same time, as much as 20 % more torque can be applied. Good to know: Hex-Plus tools fit into every standard hexagon socket screw!

Ball tip

The spherical drive profile means that it is possible to swivel the axis of the tool to that of the screw, and therefore enable angled, "around-the-corner" screwdriving jobs.

Take it easy tool finder system

Take it easy tool finder system - with profile and size colour-coding for quick and easy tool selection. Colour-coded system for hexagon drive screws (L-Keys, Zyklop bit sockets), external hex drive screws and nuts (Joker wrenches, Zyklop sockets and Zyklop bit sockets with holding function), and TORX® drive screws (L-Keys, Zyklop bit sockets).

Clever storage for L-keys

The rack for the L-keys can be set up on the table or hung on the wall.

Clip for take-away

The clip is removable; so the L-keys can also be taken out and about.

Removable magnetiser

The rack includes a removable magnetiser that can be used to magnetise (and demagnetise) screws and tool tips.

950/9 Hex-Plus Multicolour 3 L-key set, metric, BlackLaser, 10 pieces

L-Keys for Hexagon Socket Screws

Set contents:

950 SPKL L-key Multicolour, metric, 1.5 x 90 mm

05022600001	1x	1.5 x 90 mm
05022602001	1x	2 x 101 mm
05022606001	1x	3 x 123 mm
05022608001	1x	4 x 137 mm
05022610001	1x	5 x 154 mm
05022612001	1x	6 x 172 mm
05022614001	1x	8 x 195 mm
05022616001	1x	10 x 224 mm
05022604001	1x	2.5 x 112 mm

9539 L-key clip

1x 9539 L-key clip

9109 Wall holder/Base for L-key clip

1x 9109 Wall holder/Base for L-key clip

9538 Magnetiser

1x 9538 Magnetiser
